

HOW TO RESERVE A ROOM AT THE SEASIDE SHILO OCEANFRONT RESORT

To make a reservation call the Shilo Inn at **(503) 738-9571** and ask to reserve a room under the group name of “Church of God In Peace and Truth.” By mentioning the church’s name, you’ll receive the discounted group rate. Shilo will hold our block of rooms until August 27th so please don’t wait too long to make your reservations: also keep in mind that connecting rooms will go first. Customarily, a credit card is needed to reserve a room. If you don’t have a credit card, please call Shilo to make other arrangements. Remember, there is also a 9% room tax in Seaside. The Shilo has waived the normal extra person charge and rollaway fee for us. If you do need a rollaway bed it’s a good idea to request one while making your reservation. Check-in is at 4:00 pm on Wednesday, September 26th – Check-out is at 12:00 noon on Friday, October 5th. If anyone wishes to arrive a day or two earlier than 9/26/07 or depart later than 10/5/07, Shilo Resort has offered to honor our group rate, however, be sure to request your different dates at the time you make reservations.

It will be helpful for you to request adjoining rooms at the time of booking, and also give the name of the person(s) in the adjoining room. Only the rooms opposite from Broadway (on the North end) are adjoining. The Shilo Resort has been very cooperative in supplying blocks of rooms together – most on the 4th & 5th floors – but some are also available on the 2nd floor. Since each floor has elevator access, there is no difference between floors besides the view except, Queen Rooms with lofts are only on the 5th floor. There also are guest laundry rooms and ice/vending machines on each floor. The Dolphin Room, where we will meet for services each day, is located on the bottom floor of the hotel, right outside the elevator – it doesn’t get more convenient than that!

If desired, each block of up to four rooms can be joined together. This works out really well for large families and/or close friends who wish to share a kitchen, but don’t wish to spend as much for another room. Each room with two queen beds, a bath and a kitchen can adjoin to a room with one queen bed and a bath, for a spacious room with a full kitchen, two baths and three Queen Beds! Or join all four rooms in a block, for a total of 6 Queen Beds, 4 bathrooms and 2 full kitchens!

Each room is completely self contained and has its own hall access so you can choose when you want to close the doors to the independent adjoining room(s) for privacy. Each room with one Queen Bed has a microwave, mini-fridge, iron w/ironing board and hair dryer. *(Please see room descriptions for more complete information.)*

Shilo is situated right on the beach, so the whole family can enjoy kite flying, swimming, beachcombing, volleyball (nets are in front of hotel) and a child’s playground with swings on the sandy beach. And don’t forget to bring something to roast over a beach bonfire at night with friends and family! Or if you prefer to stay inside, you can enjoy eating at the Shilo Inn Restaurant and Lounge while watching the sunset over the Pacific Ocean at your tableside window. The restaurant is open for breakfast, lunch and dinner with both a reasonable child menu available and an affordable “Sunset Dinner Menu” for the earlybirds served from 4:00 – 6:30 pm Sun.-Thurs.

For other on-site indoor fun, there is a large indoor heated swimming pool, a hot tub, a sauna and a steam room – all open 24 hours. Parents can sit and fellowship in poolside chairs overlooking the beach and pool (while their children swim) – if they aren’t already enjoying the hot tub. There is also a mini-arcade and an exercise room. For your security, all Shilo Resort facilities are only accessible by your room keylock card.

This resort hotel is at a fantastic location since it’s literally at the very hub of the Seaside beach & boardwalk on Broadway. Broadway is beautifully adorned with trees and lined with gift stores, candy shops, bakeries, fast food and many unique boutiques, plus numerous sights to see and explore! The hotel is adjacent to a family fun amusement arcade with bumper cars, mini golf and many kinds of fun activities. There is a variety of restaurants and affordable

espresso cafes and eateries that are sure to be gathering spots for you who are “young at heart” – all within walking distance – with many open ‘til midnight.

There are several museums, the Seaside Aquarium and the Lewis and Clark Salt Cairn nearby for history buffs. For shoppers, the Seaside Factory Outlet beckons. Many theatres and art galleries are nearby also. For those who seek more active pursuits, there are hiking trails, paddleboat rentals, surfing, kayaking and rollerblade rentals for the miles of the famous paved beach Promenade that runs the full length of Seaside by the ocean (and right in front of the Shilo Resort).

Also unique to Seaside are the “pedal power” Surreys for rent at several nearby locations. These fun contraptions can be seen all over Seaside with 2 to 10 people in various stages of pedaling and riding. Almost all are seen laughing as they try to coordinate their pedal power and steering these “things” since they are street legal and intermix among the cars on Broadway and in the vicinity. Grandpa and Grandma can also enjoy this family outing from the back seat of a Surrey as they are wheeled around by those who have the “pedal power” in front – so choose your drivers well!

For those who wish to camp or RV:

The beautiful spacious Circle Creek RV Park and Campground is only ¾ of a mile south of Seaside, on Hwy. 101. It’s encircled by the Necanicum River and Tillamook Head Conservation Project land, so you can enjoy wildlife and elk viewing in a relaxed and beautiful atmosphere. For more information and to make reservations call (503) 738-6070. Costs range from \$16-\$34/night according to what hook-ups and amenities you use.

For our visitors from Europe:

The nearest International airport is in Portland, Oregon (approx. 1½ hours away), and there is a Shilo Inn at the Portland, OR airport. If you fly in late in the day and must spend the night, or must spend a night in Portland before departure – Shilo Resort has agreed to reserve rooms for you there at the corporate rate (greatly reduced). Also, Karen Monroe at Shilo Resort Seaside has been extremely helpful and can help you with any international travel questions as she is very knowledgeable and can be reached by email at: karen.monroe@shiloinns.com. I have been told that there is an Amtrak shuttle bus that departs from Portland once a day at 5:45 pm and costs around \$16.00/pp that will bring you directly to the Shilo Resort, but I haven’t been able to confirm this. For more information, see the website for the Amtrak Coastal Express bus (www.tickets.amtrak.com) or call 1-800-USA-RAIL, but the easiest thing will be to ask your travel agent to arrange this for you. Once you’re at the Shilo Resort, there is a free shuttle that will take you almost any place in Seaside, so renting a car is optional.
